

## The Music Dance Screenings Film Festival Consonance Fest

### Festival Rules

### Event Descriptions

Music and Dance Screenings Consonance Film Festival is dedicated to music and dance films and clips.

We hold the festival live in popular venues (cinemas, conference halls, parks, etc.) to get closer to an audience.

During the event, each film receives the audience feedback and evaluation by 6 criteria: script, directing, acting, camerawork, music, and impressiveness. Filmmakers receive detailed results personally after the event. Based on those results the best film receives the Audience Award.

A professional jury panel that includes award-winning filmmakers, producers, as well as representatives of distributors, buyers, and online streaming services, also reviews selected films and gives their awards.

We receive submissions from more than 150 countries so we reach a loyal audience from those countries.

That's why if we have permission from the filmmaker, we broadcast the film on a special channel on our website during the event days.

The festival is part of an international project MoviExpa (Los Angeles, CA), distributing independent films Worldwide to the audience, cinemas, channels, and online services. Once the festival is over, the team will provide a brief distribution plan to the filmmaker if they express interest in it.

So, what can you expect when you submit your film to our film festival:

- Live screenings of your film in front of a severe and multinational audience
- Audience feedback with the evaluations of your film. This feedback is very important for further film distribution as well.
- Promotion of your film on our social media and among our customers and site visitors
- Professional jury awards.
- Official Certificates and unique festival laurels for your film.
- The Festival Winner receives the Trophy
- Networking opportunities
- Your film will be observed by buyers and channel representatives collaborating with our project and our festival.
- You can receive further distribution opportunities from our team based on your film screening results

And most of the fun, pleasure, honor, and big hug emotions!
