The film has to be produced after 1 January 2020 and not submitted to the previous BISFF edition. If the film is found to be produced before this term, it will lead to disqualification.

Animation Competition

Any narrative work of Animation fiction with a running time less than 30 minutes, will qualify in the Animation competition section. The film has to be produced after January 1, 2020 and not submitted to previous BISFF edition.

If the film is found to be produced before this term, it will lead to disqualification.

Let's Include - An Inclusive Short Film Section (Fiction/Docu)

This Section invites filmmakers to share their stories of disability through a short film.

We welcome submissions from all filmmakers, ranging from the professional to the independent, student, or amateur. The filmmaker needs to be above 18 years of age to adult. We welcome entries from filmmakers who have a disability. This does not mean that the filmmakers are required to have a disability to submit.

Films may be entered in either the documentary (only on disability) or narrative.

Non-documentary films can be of any genre.
