

## MISTER VORKY

8th International Festival of One-Minute and Short Film

9th till 13th June 2021, Ruma, Serbia

1. Mister Vorky is an International Festival of One-Minute and Short Film, which promotes the best one-minute and short films from all continents. Organizer of the Festival is Independent Film Center Vorky Team which in this way pays tribute to the great Serbian-American film artists Slavko Vorkapich.
2. Eighth edition of the Festival will be held in Ruma, Serbia from 9th till 13th June 2021.
3. Goal of the Festival is a presentation of one-minute films which are innovative, different, experimental and brave in exploring film language. We are receiving all forms and all genres of the seventh art (fiction, animation, documentary, experimental...).
4. Submitted films for competition program must have following length:
  - for competition program of one-minute films: maximum 60 seconds (one minute), together with opening and closing titles (in exceptional cases it may be tolerated that film has closing titles which prolongs complete film longer than one minute to maximum 70 seconds).
- Films produced in the period from 2019 to 2021 are eligible to participate. Festival selectors can select up to 5 one-minute films that were created before 2019, if they deserve to be screened at the festival
5. Beside competition program of one-minute films, festival will screen special programs of short films upon invitations only.
6. Festival doesn't charge any submitting fee or pay screening fee for one-minute films. One author may submit more than one film but each submitted film needs to have separate application forms.
7. Submitted films stay in the Festival Archive and they might be used exclusively in non-commercial screenings at educational and cultural facilities and related festivals in Serbia and abroad in order of Festival promotion.
8. Deadline for submitting films is April 12th, 2021. All authors which films are selected will be informed by e-mail till May 3rd, 2021.
9. Films which are selected for Festival programs (competition and accompanying) must be delivered via link for download in .mp4 (H264) or .mov format, latest till May 17th, 2021.
10. Films from non-English speaking countries must have English subtitles.
11. Festival has competition and accompanying (non-competition) program – Panorama.
12. Selectors of the Festival selects films for competition and accompanying program.
13. International juries composed of professionals from the field of cinema decides on Festival awards.
