

Regulations

1. The festival has an international character and all authors with films in compliance with other propositions can participate.
2. Films selected for competition will be judged in two categories:
 1. FILM RECIPE - a sort of documentary that should display complete image and/or text instructions for preparation of culinary creations (meals, drinks or deserts), including information about required ingredients and sequence of work. Based on those, after watching film one should be able to prepare the recipe.
 2. OPEN CATEGORY - a film that should thematize or depict content related to food and/or drink of any sort.
3. Duration of individual films submitted is limited to 15 minutes.
4. Each author can participate with up to ten films.
5. Films containing speech that is not in Croatian language must be subtitled in Croatian or English.
6. Films can be submitted via file transfer service or be made available to download by the festival staff.
7. Files should be H.264 mp4 files with bitrate of at least 10000kbps and not more than 30000kbps.
8. Date of the festival and deadline for film submissions are determined each year.
9. Films for competition are selected by selection committee.
10. Selected films are judged by jury which makes the final decision on up to three awards per category. The jury can award prizes, and also a diploma for one of the film components (photography, editing, theme selection, etc).
11. The jury is appointed by the organizers: Video Club "Mursa" and Tourist association of the town Osijek.
12. The organizer reserves the right to copy material for the archive and showing of films after the festival with the aim of festival promotion.

13. Applications should contain legible information:

- about the film (the film title, author's full name, duration, color or b/w, type of sound (Hi-Fi, Linear, Mix or mute))
- about the author and producer (name, address, phone number or e-mail)

14. Applications can be sent via clickforfestivals.com.
