

A one-day film festival in Iraq displaying silent short films. The invitation is open to all filmmakers in the world, the public wants to see the most beautiful silent short films which contain music, and other works, which we hope to be involved with us. Participation in the festival is free of charge. We would like to say that the films that will not be selected in the official competition, will be selected within a offers films that are held we have all year round.
