

Priority is given to films premiering in Latin America.

Your film must have been made during the years 2016-2018.

We DO take work in progress as long as the finish film is complete by the time of the festival.

Your film should NOT be on the internet by the time of the festival.

Spanish subtitles are a must in every film.

Have a trailer, poster, flyers and any promotional material ready to send to fest so we can promote it.

We DO NOT give fee waivers

We DO NOT pay for shippings.
