## How it works

1) Every month there is a selection of the movies that will take part to the annual event. Along with the main categories (such as feature film, short film, documentary...) there will be subcategories; it is required to be entered in one of the main categories to be able to win one of the subcategories.

2) At the end of the month we will chose the winners for each category and the general winner.

3) In December we will open the annual contest to all the movies, which will be enlisted as well as the monthly winners. The annual prizes for each category will be awarded.

4) Only one movie will be awarded Best Movie of the year and will feature the home page of our website for 12 months.
