

**Magmart | video under volcano** is an international videoart festival, which over the years has seen the participation of more than 1400 artists from +80 different countries, with thousand submitted videos.

On 2014, Magmart festival become biennial.

The twelfth edition of Magmart is started.

### **FESTIVAL RULES**

The Festival is open to all international videoartists. Participation is free.

Between all submitted video, will be done a final selection based on vote of a Jury composed by experts. The 30 selected artworks will become part of CAM permanent collection.

All sended materials don't will be return, and will be stored in the Festival's archive like documentation.

Sending the participation form, the artist accept fully the present rules.

The Jury verdict is incontestable.

The artist accept that his/her own video will be broadcasted online and offline, on site

[www.magmart.it](http://www.magmart.it); he/she accept that, if selected, the video become part of permanent collection of CAM, and should be freely screened at CAM rooms.

All the video, selected or not, become part of Magmart's archive, and can be screened in any other place or event related to Festival, online or offline, with exclusion of any commercial use.

Still-frame from video can be freely used for the Festival communication, mentioning title and author of artwork.

To participate is necessary fill out the form available on this website. The omission, or the incorrect filling, of one or more parts of form itself, will involve the exclusion of video by selection of Jury.

The possible selection by Jury is in any case subordinate at an essential condition for the proclaim of winners: the author of selected video must send, via ordinary mail, and within 15 days from Jury's verdict communication, the donation act to CAM of the copy of his/her own video, and the hard copy on DVD itself.

Without this donation act, the video will be rule out by group of 30 selected artworks, and replaced by those immediately subsequent in Jury's ranking.

Any author can participate with max 5 video.

author's rights

All rights on video remain property of author. The author assert, under his/her own liability, the complete right of use on used materials (images, sounds, video) and that compose the artwork; the author undertake completely the liability for any breach of copyright laws.

The donation act don't underlie in any way a transfer of right, but certify exclusively the willingness of author so that a copy of his/her own video artwork will be permanently kepted - and, with limitations above, utilized - in the permanent collection of CAM.

deadline

Will be accepted only the video received within midnight of 2021 March 31.
