6° FICCSUR, Southern Cone International Film Festival, Valparaíso, Chile.

May, 19-22, 2022.

Film festival with live screening, feature films, short films, video clips, international.

Festival Description:

FICCSUR is an incipient film festival that takes place in one of the most beautiful cities of the South American cone, Valparaíso. We hope to have a worldwide festival of films, from all continents, from all cultures, with multiple languages, where the only common language is the film. With the support of the Illustrious Municipality of Valparaíso, we are going to hold a festival in several venues, where more than 100 films will be live screening, including feature films and short films, national and international.

Bases - FICCSUR requirements:

- 1 - The scope of the Festival is international. Works from all over the world can be presented.
- 2 - Each filmmaker can present as many films as he wants, in any language, provided he is subtitled in Spanish or English.
- 3 - The theme is free, as long as it does not violate good customs and human dignity and respect.
- 4 - The call begins on August 22, 2021. The deadline on May 06, 2022.
- 5 - Deadlines:
 - Starting: before August 28
 - Second start: before September 27

- Early bird one: before October 20
- Early bird two: before November 15
- Normal one: before December 13
