

All films submitted to the Atlanta Comedy Film Festival must be in HD 1080p format.

If selected, filmmakers are expected to provide a digital download of their film in either .mp4 or .mov format.

Credits for each film must be 30 minutes or less in length. The ACFF reserves the right to shorten the credits or reject the film, if this requirement is not met.

All of the films are compiled and screened on Blu-Ray DVD for the festival screening.
