

the festival aims to support all the filmmakers all over the world, give them the chance to screen their films in London

, also the best films will be considered to take part in other festivals in Europe and the Middle East as well.

It's the first international egyptian film festival that held in Europe and supported by the members of the british royal family in uk

The films from all over the countries as its an international film festival, our target is to promote the good films and support the filmmakers , talented artists to meet on our festivals

The films not only egyptian any nationality

. we receive every edition more than 1000 films, from all over the world and different genre

. short, fiction, documentary

### **The festival is held twice a year**

edition in pairs and edition in London

And we went to cannes last year by promoting the winners

The organizers work in the film industry for more than 13 years.

The Founder of the Festival Maggie Anwer works as a filmmaker for more than 13 years, kindly find below more info about our president
