

4th EDITION - REGULATION

1. GENERAL INFORMATION

The 4th Edition of the HaHaArt International Comedy Film Festival is once again promoted by the Pombal Film Society in partnership with the Pombal City Hall. There are several film festivals, both in Portugal and around the world. Some are thematic, most of them are generalist. By promoting a film festival entirely dedicated to comedy, we aim to give visibility to a film genre too often disregarded as less valuable and trouble in having its artistic value recognized. The festival has as main goals to encourage, disseminate and promote comedy films, to support new creators, to attract and create new audiences, and to favor exchanges between participants. The screening of the short films in competition in this edition of the HaHaArt Film Festival will take place in the city of Pombal from the 23rd to the 27th of October 2025.

2. DEADLINES

2.1 Submissions for the first HaHaArt Film Festival will be open until July 06, 2025. The festival does not ensure the viewing and consideration of films received afterwards.
