

## XV EDITION 2025 – REGULATIONS

The association "Cercando il Cinema APS" will organize the fifteenth edition of the **EcoFestiValPesio** from May 6 to May 9, 2025, in collaboration with the Municipality of Chiusa di Pesio, the Chiusa di Pesio-Peveragno Comprehensive School, the Management Authority for the Protected Areas of the Maritime Alps - Maritime Alps Natural Park, and under the patronage of the Piedmont Region and the Province of Cuneo.

Works from all over the world will be accepted, and short films and feature films, divided into three sections, will be evaluated by a jury of five members selected by the Festival's Artistic Director, Giancarlo Baudena.

Compliant works, whether finalists or not, will be cataloged and added to the Festival archive, available to schools and institutions upon request for exclusively educational use. These works may also be used for promotional events organized by "Cercando il Cinema APS" with free admission, subject to the authors' consent.

The public screenings of the finalist films will take place during a tour after being viewed and evaluated by the students of the Chiusa di Pesio-Peveragno Comprehensive School. Outdoor evening screenings will occur in Chiusa di Pesio, at the headquarters of the organizing association "Cercando il Cinema APS," in July (exact dates to be determined). The winning films will be screened and awarded on **Friday, May 9, 2025**, at the Riccardo Mucciarelli Hall, c/o Maritime Alps Park Authority, Via S. Anna, Chiusa di Pesio (CN).
