Rules & Terms

- 1) All types of videos less than 60 minutes are accepted.
- 2) There is no limit to the year of screening, any year is accepted
- 3) Any Foreign film that is not in English must have English subtitles.
- 4) All fees are non-refundable.
- 5) Not all submissions are selected for the official competition. Our Judges are free to make their own choices and no answers will be given about not selected films.
- 6) The Calcutta Indie International Film Festival can consider any film to be disqualified if the festival considers the content inappropriate. If you have any questions regarding this decision you might contact us at our email address.
- 7) Filmmakers can submit the film in multiple categories in order to become multi-award films. Still, the decision about the selection is strictly determined by our judges' team and no selection is guaranteed.
- 8) Submitting your movie, you authorize The Calcutta Indie International Film Festival to use, distribute and share the film poster, trailer, synopsis, and movie stills on our social media.
- 9) Films can be available online and still be entered in the competition for our festival.
- 10) Multiple submissions and multiple category submissions are accepted.
- 11) Any genre is accepted

- 12) By registering, you declare that you have the rights to the registered film**
- 13) The festival may use for promotional purposes the data of authors, producers, and crew, the movie poster, the trailer, and a maximum of 1 minute of the video**
- 14) Films that incite violence or hatred, in general, are not accepted**
- 15) By registering the film at our festival you agree to share personal data with partner festivals, but only for promotional purposes.**

DISCLAIMER:

- (i) ClIFF any resemblance to other events is purely coincidental. We do not represent or can be represented by any other organization.**
- (ii) Also, we do not disclose any kind of information with third parties.**
