

Rules

The rules for this festival are very simple:

1. The film should have a run time of less than 10 minutes
2. It should be a comedy (can you make a lion laugh?)
3. If selected, Film Hub will have unconditional rights to screen the film for a period of one year
4. Producers/Crew wishing to attend the screening will do so at their own expense.

That's it.... Submit now and share some smiles
