The contest will open for submissions on March 15th, 2016.

Deadline for Film Submissions is July 1st, 2016.

Voting will begin on July 15th, 2016.

The winner will be announced on August 26th, 2016 after the Fan Boy Film Festival.

- The film submission (Short or Feature) with the most votes on the Fan Boy Film Festival site by its registered users will win the grand prize of \$10,000 (ten thousand dollars US).
- The film submission created on a Smart Phone or Tablet with the most votes on the Fan Boy Film Festival site by its registered users will win a prize of \$5,000 (five thousand dollars US). The filmmaker must note which device their film was created on.
- The only way to win is by getting the most votes, so share your film page once it's up in the gallery. Check back after submitting to see if your film is selected. An email will be sent out to selected

- If multiple film entries have equal votes at the close of the contest, the respective prizes will be divided equally.
- There is no limit on how many submissions a Fan Boy Film Festival user can make.
- All submissions must be original and the filmmakers must have authority and ownership of the content they upload.
- If someone else might own the copyright to it, do not upload it. Users are liable for false representation of copyright ownership.
