Welcome to **GLOBAL FILM FESTIVAL AWARDS**. We are a monthly and annual **IMDb** qualifying competition based in Los Angeles. We want the best worldwide film stories to promote filmmakers' works for distributors.

Call for Entries Nov/17 - Dec/17 - Jan/18 - Feb/18 editions! Next Season Mar/18 ... Nov/18 opens in February 28th.

The **GFFA** is an open door to independent filmmaker. A special Jury formed by Hollywood producers, European and international distributors to promote films and new media.

What's the difference on submitting your project to **GFFA**? This is not an usual Festival to promote only local artists. We have an original global channel with partners. By now, our press crew around the world include USA, Canada, England, Denmark, French, Italy, Spain, Japan, Australia, Argentina, and Brazil. We understand the difficulty for an independent producer to have a fully analysed project, and our judging team is looking for potential films for schedule meetings with executives from movies and television industry. This is an opportunity for independent showrunners, directors, and producers to meet with a worldwide agenda.

Every month our jury will award the best independent filmmakers through private screenings. Every submission can add as many Additional Categories to increase the chances of winning. We will Honorably Mention films that may not necessarily win but will be acknowledged for their work. All the Annual Winners can receive the prestigious "Golden Star" trophy, monthly editions need to contact our Team to order and pay the costs.
 The **GFFA** Public Event will take place in the heart of Los Angeles, USA, in November 2018, and will celebrate the "Best of Year" competitions. Winners will have the opportunity to meet with other artists, producers, managers, and agents.

Global Film Festival Awards has the honor of hosting 8 exclusively artists in our team. If your film is selected on monthly editions, you are automatically nominated for the annual event.
