

FUORICAMPO

CINEMA GIOVANE FILMFEST

REGOLAMENTO

Fuoricampo – Cinema Giovane FilmFest is promoted by the “Artu Parents Association” in Rome, in collaboration with the Comprehensive Institutes "Via Belforte del Chienti" and "Via Nicola M. Nicolai" in Rome. Considering the years of experiences in promoting cinematographic workshops, the Association would like to offer young filmmakers (no older than 19 years old) and schools of any order and level the opportunity to present in public their works. The objective, in fact, is to value the cinematographic art through the works of promising young artists and the products developed within schools.

The Festival provides three categories:

- **CortoRagazzi** (reserved to individual filmmakers);
- **CortoScuola** (reserved to schools, with the proper distinction among the various levels);
- **Videoclip** (reserved to young authors of music videos).

The contest provides a selection of the submitted works, compiled unquestionably by the Festival Management, that will weigh artistic and cultural values of the works, and the maximum number of hours of projection in the program. The works will be presented, commented and projected during the final show that will take place in Rome from the 20th to the 24th of March 2018 (more details will be communicated both on the Festival website and via email to each participant).
