

Friss Hús 3.0 Short Film Festival

24-29 March 2015

Budapest, Hungary

Daazo - the European Shortfilm Centre proudly presents the 3rd edition of the Friss Hús International Shortfilm Festival, which will take place at the end of March 2015 in Budapest, Hungary. The success of the last two years made it possible for Friss Hús to become one of the most important shortfilm events in Hungary.

The long term plan of the organisers of Friss Hús is to make sure that the event becomes an internationally acclaimed festival where the audience can watch entertaining and colourful short film selections and where the filmmakers can meet important professionals from the film industry as well as attend special workshops. The best film will be awarded with a cash prize of €1,000 (as well as 100,000 HUF for the National Competition and Best Hungarian Animation respectively). Several other valuable prizes will be given out too. (To be announced later.)

We hope to see you in Budapest at the Friss Hús screenings, for an all night long party or at one of the festival's professional events!
